— Northwood - if this appeared for  
information of budget for Welfare Education  
then are they in reality - Mrs. Bowles get  
a chance to be approved this budget.

— Mrs. Lehman - Mrs. Lett's letter appeared  
to salary range - Lehman - Tax jump would  
be outstanding - too small more likely.

Lehman 3 in office help instead of 2.

Drop \$500 figure to \$400 - Comm. agree.  
Lehman Add part time typist for Tax. L.

Total budget -

Mr. Churchman raised question of showing  
\$1,200 increase on Church help - would show  
on next year's budget that money allowed  
was not spent for each.

Stem Capital fund has been borrowed.  
Showing a deficit of some \$1,200 - Capital fund  
is now being raised.

any period after 6 mos on our part - We  
will continue looking for graduate social workers.

Try to begin as soon as possible but at \$4000.

Let's not waste money to start interim  
worker - not realistic - not enough time to  
get an end result - ~~Let's not~~

Bob can add additional staff worker so as  
to have time in order to ask him to take vacation.

Stem Assistant to Executive - ~~Let's~~  
a newspaper who would not be familiar  
with agency operations - Does not feel  
that this person could fill the vacancy  
that he has been looking for.

Barby - Cat can set up meetings for  
conference in the basement section &  
mantelway conf. - we have bases -

Stem has a budget problem to begin with.  
Wagner also give 3 day notice & we have to  
wait 6 mos - will run into difficulty - 2 persons  
we might have for 4 mos.

Lehman - inconceivable to have a person for  
2300 - a joint committee until we get our

budget resubmitted - committing 2300 we don't have.

Then if we go along with this then ours  
should be 30 day notice.

— Lehman wait until budget is approved  
to see what allocation will be made. — Think  
we are allocating money we don't have.
